Assistant Director/OPC
Attention: [redacted]
The Assistant General Counsel

2 May 1950

S. 2269, a Bill to provide for the enlistment of aliens in the Regular Army.

1. Reference is made to your memorandum for the General Counsel dated 1 May 1950, Subject: Recommendations Concerning Senate Bill 2269.

2. Your memorandum has been given careful consideration, together with the comments from the Assistant Director/OSO, and the whole matter has been discussed with the Director. It has been determined that it would be inappropriate for this Agency to take a position pro or con on this legislation at the present time. It would appear to be primarily a problem for the Department of the Army. I have so informed Mr. Ben Brown, the Deputy Assistant Secretary of State for Congressional Relations.
